

SIRIKONDA SRIRAM

ASPIRING BIM MODELLER | REVIT ARCHITECTURE | CIVIL ENGINEERING GRADUATE

Hyderabad, Telangana | 9392934742 | sramsirikonda119@gmail.com | www.linkedin.com/in/sriram-sirikonda

PROFESSIONAL SUMMARY

Civil Engineering graduate building a career in Building Information Modeling (BIM). Completed Revit Architecture through a full course-completion project — the G+5 Residential Apartment Building — and currently progressing through Revit Structure, with Navisworks and Primavera upcoming in an ongoing Master Diploma in BIM Technologies. Backed by practical site exposure from a live infrastructure internship and a solid foundation in AutoCAD. Seeking an entry-level BIM/Revit role to apply accurate, standards-based modelling on real project workflows.

SKILLS

BIM & Modeling

- Revit Architecture (*Completed*)
- Revit Structure (*Completed*)
- Navisworks (*Upcoming*)
- Primavera (*Upcoming*)

Revit Architecture Capabilities

Modelling & Documentation Families, Elevations, Sections, Sheets, 3D Views, Rendering/Visualization

CAD / Engineering Software

Software: AutoCAD Civil/Architecture, Civil 3D, QGIS, STAAD.Pro

AutoCAD Civil/Architecture training (CAD DESK) — practical drafting exercises covering residential and office floor plans, elevations, sections, dimensioning/annotations, layers, blocks, modify commands, coordinate systems, and arrays.

Computer Skills

Tools: MS Word, MS Excel, MS PowerPoint, AI-assisted tool development (Google AI Studio / Vercel), Vibe Coding

BIM PROJECTS

G+5 Residential Apartment Building — Autodesk Revit Architecture

2026

Course-Completion Project | Master Diploma in BIM Technologies, CAD DESK

- Developed a complete architectural 3D model of a G+5 Residential Apartment building.
- Produced front and side elevations along with 3D building views for design presentation.
- Generated day and night visualization renders to communicate massing, materiality, and site context.
- Prepared presentation sheets with title blocks and structured sheet organization, following standard Revit documentation and drawing-set workflow.

INTERNSHIP

Site Intern — Hyderabad Metropolitan Development Authority (HMDA)

Feb 2026 — Apr 2026

Office of the Executive Engineer, Division-I | Motorable Bridge Construction, Golden Mile Road, Hyderabad

- Completed a 2-month site internship on a live government infrastructure project, gaining practical exposure to construction execution and site operations.
- Participated in structural execution, quality control, and site management activities on a motorable bridge construction project.

EDUCATION

Kommuri Pratap Reddy Institute of Technology (KPRIT), Hyderabad

2022 – 2026

Bachelor of Technology in Civil Engineering | CGPA: 8.33

Vivekananda Institute of Technology & Science

2019 – 2022

Diploma in Civil Engineering | CGPA: 5.11

Vidyabharathi High School

2017 – 2018

S.S.C. | CGPA: 7.3

CERTIFICATIONS & TRAINING

- Master Diploma in BIM Technologies — CAD DESK, Ameerpet, Hyderabad

2026 – Present

 - Completed: AutoCAD Civil/Architecture and Revit Architecture.
 - In Progress: Revit Structure.
 - Upcoming: Navisworks, Primavera.
- QGIS and Civil 3D Design — Ardent Computech Pvt. Ltd.

Jan 2026 – Feb 2026

 - Completed certified training on QGIS and Civil 3D design workflows. Certification ID: ARDENT/189939.
- 6th Semester Training — R&B Department, Karimnagar

2022

 - Site-level exposure to bridge construction, bituminous roadworks, and quality control practices in a government infrastructure setting.

PROJECTS

- AI Reinforced Checker

2025 – 2026

 - Built an AI-assisted reinforcement verification tool for RCC structural elements to identify detailing inconsistencies and support reinforcement checking.
 - Live project: <https://rebar-check-ai.vercel.app/>
- Reinforcement Detailing with Mivan Technology

2024 – 2025

 - Designed reinforcement detailing for beams, slabs, and columns to ensure structural integrity.
 - Developed a hybrid formwork model combining Mivan and wooden formwork for faster, more flexible construction.

PUBLICATIONS

- Development of an AI-Assisted Reinforcement Layout Checking System** — International Journal of Engineering Research Science & Technology (IJERST), 2026.
- Hybrid Formwork Integration in Mivan Construction** — International Research Journal of Engineering and Technology (IRJET), 2025.

ACHIEVEMENTS

- City Level Finalist — Bharat Navnirmaan Challenge 2025 (NICMAR University & The Times of India); Top 21 teams in Hyderabad after qualifying through the KPRIT intra-college round.
- Winner — Mock-up Bridge, Poster Presentation, AAROHAN 2K25 (National Level Event).
- Runner-up — Project Expo, AAROHAN 2K25 and AAROHAN 2K24 (National Level Events).
